

The Good News of God According to Luke: Jesus is Willing and Able to Help You
Luke 5:12-26

Intro

I. Jesus is willing....

Jesus is anointed by the Holy Spirit like no other; don't let anything keep you from coming to Him.

We all have problems nobody wants to touch; bring your problems to Jesus.

II. And able to help you.

Jesus gives according to His will; He wants to help you live the Christian life.

If you're asking Jesus for something He wants to give you, He'll do it, but His priorities are often different than ours.

Do whatever it takes to bring people to the Lord; Jesus has the power and authority to forgive sins.
