

The Gospel According to Isaiah: The Lord Will Build His People
Isaiah 44:6-28

Intro

I. Idols deceive us...v6-20

God rules over us and redeems us, and we are witnesses to that.

God is the only foundation for your life and for His people.

God made you in His image; people should be able to see Christ in you.

When you turn away from the Lord, you lose spiritual understanding.

II. But the Lord will build His people v21-28

God made us and all things by His own power.

He confounds the wisdom of the world but always keeps His promises.

He has promised to build up His people no matter what it takes.

He uses even the rulers of this world to ensure that He is worshipped.
