

The Good News of God According to Luke: Jesus Gathers People to Himself
Luke 5:1-11

Intro

I. Jesus Gathers People to Himself... (v1-10a)

We come to Jesus, but Jesus also comes to us; Jesus speaks with authority in every aspect of our lives.

Jesus comes into our life and humbles us; sinful nature is repulsed by the Holiness and Power of Jesus.

II. And He Uses Us to Do So. (v10b, 11)

Jesus uses His power and authority to pardon and forgive; He is able to overcome our resistance by grace.

Christ calls you to leave everything and follow Him.
