

The Good News of God According to Luke: Kingdom Mercy
Luke 6:27-36

Intro

I. Love your enemies...v27-30

A disciple is someone willing to make the sacrifices necessary to follow Jesus.

The kingdom of God belongs to those who are committed to following Him.

Love is genuinely caring about a person and wanting what's best for that person.

II. And show them mercy v31-36

Treat others with the kind of love and mercy that you want other people to treat you with.

Love means that you take the time to think about what would be meaningful for the other person.

God is kind to the ungrateful and the evil; God loves His enemies and shows mercy to them.
