

The Good News of God According to Luke: Christ the Solid Rock  
Luke 6:43-49

Intro

I. Our words and actions reveal what's in our heart... v43-45

The kind of person you are will determine the way you talk and the way you act.

The way you talk and the way you act reveal what kind of person you are.

What you love and treasure--what you store up in your heart--will be revealed.

II. So build your life on the rock. V46-49

We don't obey because of who we are; we don't obey because of the kind of people that we are.

You can't just change your behavior--you can't just start being good; your life has to be built on something solid.

You've got to build your life upon the rock of Jesus Christ.
