

The Good News of God According to Luke: God's Will and Our Choice
Luke 8:1-16

Intro

I. Different People Respond to God's Word Differently... v1-8

Jesus prepares us for disappointments in life; Jesus teaches us to think realistically.

Jesus also promises us blessings that sometimes surprise us; life is unpredictable.

II. According to God's Will and Their choice. V8b-15

It's a gift that some people hear and understand the gospel; not everyone will understand why Christ had to go to the cross.

Be careful how you listen and respond to God's Word; hold on to it in your heart and don't give up.
