

The Good News of God According to Luke: The Majesty of God
Luke 9:37-45

Intro

- I. We are an unbelieving and messed-up people...v37-41,43b-45

Even if you believe, you need to believe more; even if you have faith, you should have more.

Our faith tends to be miniscule, and there's something wrong with that.

- II. But Jesus came to be with us and bear with us v41-45

Jesus is patient with us and responds even to the weakest faith.

We need a greater understanding of the majesty of God.
