

The Gospel According to Isaiah: The Lord will Save His People
Isaiah 47:1-48:11

Intro

I. The Lord will bring judgment on the world v1-15

Countries, kingdoms and nations are subject to God's judgment.

God has a plan to build up His kingdom for His glory.

God will judge pride and self-centeredness.

II. But save His people for His own glory 48:1-11

Just saying you're a Christian cannot save you.

We need a lot of refining to become the people God wants us to be.

In Jesus Christ God will always love you.
