

Great is Thy Faithfulness: The LORD with Help You
Exodus 17:8-18:27

Intro

I. You don't have to do everything by yourself 17:8-16

You don't have to do everything yourself; you can delegate and you can recruit.

You're not in this alone; the Lord will help you and fight for you.

Other peoples' jobs always seem easier, but every job has its challenges, and every job is important.

II. There are others who can help you. 18:1-27

Sometimes we need an outside perspective; know your limitations, and recognize when you need help.

Most of us are trying to do too much; know your priorities; know what is too much.
