

Great is Thy Faithfulness: The LORD Brings His People to Himself  
Exodus 19:1-25; Hebrews 12:18-25, 28,29

Intro

I. God has brought you to Himself...

The LORD brings His people to Himself; salvation is the work of God.

God calls us into a special relationship, to belong to Him in a special way.

We're not saved by our good works; we are saved for our good works.

II. Listen to Him!

You need to consecrate yourself to the LORD, to meet with God.

We come to the Lord at His call, through the blood of Jesus.

Obedience is not optional; we should offer grateful and reverent worship.
