

Great is Thy Faithfulness: Love the Lord Your God
Exodus 20:1-3; Matthew 22:34-40

Intro

I. Because of Who God is and What He has done...

The 10 commandments are different; they are timeless, because they represent God's unchanging moral nature.

We should obey the 10 commandments because of Who God is and What He has done.

The LORD saves those who can't save themselves, and brings them into the household of God.

II. You Should Love the Lord Your God with all Your Heart, Soul, Mind, and Strength.

The LORD rejects the worship of other gods, and the opposite of what He forbids, He commands.

All of life is an act of worship, so all of life should be in worship of the LORD.
