

Great is Thy Faithfulness: Call Upon the Name of the LORD
Exodus 20:7; Romans 10:9-13

Intro

I. Call upon the name of the LORD....

We should not use God's name carelessly; this is a very serious sin.

To call upon the name of the LORD is to lift up God's name in worship.

We don't want to be irreverent; don't just go through the motions of worship.

II. In faith.

God wants you to believe in Him with your heart and confess Him with your mouth.

God will bestow the riches of His grace on all who call on Him.

Call upon the Lord in times of trouble, guilt, thanksgiving and praise, and He will answer you.
