

Great is Thy Faithfulness: Enjoy the Lord's Day
Exodus 20:8-11; Isaiah 58:13,14

Intro

I. Remember the Sabbath Day to Keep it Holy.

The Sabbath day is intended to be a day of rest--you need rest; the Lord has given us 1 day in 7 to rest from our work.

The 10 commandments are given to God's people, but they apply to everybody.

The Sabbath day belongs to the LORD in a special way; it should be dedicated to the LORD in a special way.

II. Enjoy the Lord's Day!

Another purpose of the LORD's day is to help you learn to love the LORD and rest in the finished work of Jesus Christ.
