

Great is Thy Faithfulness: Be a Cheerful Giver
Exodus 20:15; Malachi 3:8-10; 2 Cor. 9:6-8, 11

Intro

I. Don't take anything that doesn't belong to you...

We are all naturally takers; we steal from God by not giving our tithe.

You should tithe even during times of need, even when money is tight.

Giving is meant to be an act of faith; you can't buy God's blessing.

II. But work hard so that you can give generously.

Don't just be a taker; learn to be a giver.

When you don't give, you are depriving yourself of blessing.

God is the original giver; God will give to you to enable you to give to others.
