

Good News for the World: There is No Condemnation
for Those Who are in Christ Jesus
Romans 8:1-4

Intro

I. By Sending His Own Son, God has punished sin...

The only way you can be righteous is by faith, but God wants us to keep His law.

We are always tempted to sin, but the Holy Spirit is always with us.

You don't have to sin, because of the power of the Holy Spirit within you.

II. So that you might fulfill the law. V3,4

God's law is not able to make you righteous, so God has done for us what we couldn't do.

Christ fulfilled the law for us; now the Holy Spirit fulfills the law in us.

The gospel saves us from sin's guilt and power.
