

Lucy's Potion

Supplies (included):

White Glue
Sponge Paint Brush
Glass Bottle with Cork
Small Metal Hoop Eye
Twine
“Lucy’s Potion” Tag

Supplies (not included):

Newspaper, Paper, or Paper Towels
Paper Plate
Food Coloring
Toothpick or Pencil

Instructions:

- 1) Lay down paper or paper towels over work area
- 2) Put a small amount of White Glue on the Paper Plate
- 3) Mix in a small amount of food coloring
- 4) Remove cork from bottle and put in a safe place
- 5) Put toothpick or pencil inside glass bottle and hold it in the hand that you will not be painting with
- 6) Paint glue onto bottle as evenly as possible to make a smooth, sea-glass finish (do not paint bottom of bottle)
- 7) Place bottle gently onto a section of the plate that does not have glue on it, and take out the toothpick/pencil
- 8) While the glass is drying, feel free to color the “Lucy’s Potion” tag, if you would like
- 9) Insert small, metal hoop eye into cork
- 10) Pull twine through hoop, then through the hole in the tag
- 11) Insert cork into bottle
- 12) Feel free to repeat with any clean, glass bottles you have around your home, as long as your parents say it’s ok! :)
